Join the Walk!

Day-Walkers are warmly welcomed to be a part of The Walk for Common Ground.

While the 30 core walkers are going the entire 350 km, anyone and everyone is encouraged to join the walk for a day or for a few hours in between community stops. Day-Walkers can join at the departure locations at the times listed above (where we will provide orientation and begin our day with a Treaty reflection). Day-Walkers will need to be responsible for their own lunch on the road, and ensure that they have a ride to the start and ending points they wish to join. In the evening, a Treaty Conversation will be facilitated by the 30 core walkers between 7:00 and 9:00 PM in each community, and we'd love as many Day-Walkers as possible to join us.
